

Directions for finding the FSCC John Deere TECH Training Facility on the Web

1. Go to the Fort Scott Community College Home Page (www.fortscott.edu)
2. At the top of the FSCC Home page all the way to the right of the screen under the “**Campus Locations**” tab choose “**Campus Map**”
3. It may take a while for the map to load depending on the speed of your internet connection, but a web page titled “**FSCC Campus Map**” should appear.
 - a. This map shows in graphical form a layout and list of all the Fort Scott Community College campus locations and buildings.
 - b. Fort Scott Community College currently has campus locations in the cities of Fort Scott, Frontenac, Pittsburg, and Paola all shown on the map with **Fort Scott** appearing as **Location A** on the map, **Paola** appearing as **Location B** on the map, **Frontenac** appearing as **Location C** on the map, and **Pittsburg** appearing as **Location D** on the map.
 - c. On the map all buildings at all campuses are named and identified in a numbered list under the name of each campus location, and the numbers from the building lists at each campus location correspond and appear on a graphical depiction of the building on the map.
 - d. Scrolling the mouse over the graphical depiction of any building number at any location will yield the address of each particular building and a link that reads map it.
 - e. By clicking on the map it link for a particular building location, one can obtain directions to get from or to that buildings location using Google maps.
4. To find the address and/or directions for the **John Deere TECH Training Facility** on the **FSCC Campus Map**, scroll to the bottom right hand corner of the map to the “**Frontenac Campus**” **location C**.
5. The “**John Deere Training Center**” is location number 2 under “**Frontenac Campus**” list.
6. By scrolling over the graphical depiction of the “**John Deere Training Center**” one can obtain an address and/or directions to the John Deere Building according to the directions given above.
7. If you have problems finding the directions to the o **John Deere TECH Training Facility** on the web, please contact Matt Brown using the information below and he will be happy to help you find what you need. Thank You
