Total 69

NOTES

1. Recommended during the first or second semester if the student has no previous accounting.
2. Recommended, if the student has no computer skills.
3. Student must be working @ least 12-15 hours per week.
4. Microeconomics and Macroeconomics may not be taken during the same semester.
5. Principles of Accounting, Financial and Managerial Accounting may not be taken during the same semester.
6. Financial Accounting must be taken before Managerial Accounting
7. Principles of Accounting, Financial Accounting, and Managerial Accounting are not offered every semester.
8. Basic Calculus is only offered in the Spring semester.

While we do suggest these classes we recognize that a student may take classes in different semesters, but use caution, read the above notes.

Some classes may be taken during the summer or through intersession classes.
