Total 66

**NOTES**

\*Recommended during the first or second semester if the student has no previous accounting.

If the student has previous accounting another business elective might be taken.

\*\*Recommended, if the student has no computer skills.

#Microeconomics and Macroeconomics may not be taken during the same semester.

##Principles of Accounting, Financial and Managerial Accounting may not be taken during the same semester.

\$Financial Accounting must be taken before Managerial Accounting and Managerial Accounting

is only offered in the Spring semester.

While we do suggest these classes we recognize that a student may take classes in different semesters,

use caution, read the above notes.

Some classes may be taken during the summer or through intersession classes.
