

Frequently Asked Dorm Questions

How much do dorm rooms cost—and what do I get for that cost?

2010-2011 costs are 2,650/semester for Boileau Hall or 2,300/semester for Greyhound Hall. This includes 19 meals per week. Payment plans are available by calling 800.609.8056

How will I know about my room assignment? When will I know who my roommate is?

A student will receive a postcard confirming his/her dorm reservation about a week after we receive the required information. Room assignments and roommates will not be given until check in, due to possible last minute changes.

What does the college provide in each room?

In each room, there are two regular twin size(not extra long) beds, dressers, desk, and closet space.

What should I bring?

Students need to bring bedding including pillows, towels, toiletries, clothes, and school supplies. We would recommend packing necessities at the start and adding optional/fun items later after the roommates have had a chance to get acquainted and take inventory.

What should I not bring?

You should not bring candles, open-flame or hazardous cooking appliances, or large appliances. Remember space is limited.

When can I move in?

This semester it is Friday, August 19th from 9a.m.-2p.m.

How do I know where to go for check in?

You will check in at the Administration Building.

Where do I find dorm rules and regulations?

On line, under "housing" there is a dorm handbook.

Is there internet access in the dorms?

Yes. The college supplies computer labs for student use, and wireless access is also available.

Who should I contact with problems?

You should contact Marci Myers, Director of Student Life, Nate Collins, Security, or any of our Resident Assistants. All dorm staff names and phone numbers are posted in both dorms on the bulletin boards.

What if I lose my keys?

Once keys are issued to a student, he/she is responsible for those keys. A \$50 fine will be issued to replace room keys, \$15 for access cards, and \$5 for mailbox keys. It is extremely important that you report lost and/or stolen keys immediately to Marci Myers so that she can get your locks changed.
