Daphne Hedrick 2022 Outstanding Sophomore

Daphne Hedrick graduated Cum Laude from Labette County High School in May 2020. At LCHS Daphne was an active participant in band and choir, serving as section leader for both groups. Daphne also served as Vice President of the Future Business Leaders of America and was named to the academic honor roll each year.

As a student in high school and at Fort Scott Community College, Daphne participated in community service by volunteering for multiple food and clothing drives for St. Andrew's Church in Independence, Kansas. As a member of the FSCC Esports team, she has assisted with various campus activities, such as homecoming and hosting gaming events. Most notably, Daphne and her family regularly visit Mexico, and during these visits, they provide clothing, hygiene products, and toys to families in need. Daphne was an active participant in FSCC's TRiO Support Services program.

Her scholastic honors include Phi Theta Kappa Honor Society and Vice President's Honor Roll. Daphne has earned multiple scholarships from Esports, TRiO, Women in Science, P.E.O. Sisterhood, and other academic scholarships. Daphne earned these honors while working multiple jobs, participating in extracurricular activities, and volunteering to serve her community.

When asked about her accomplishments Daphne stated, "My most outstanding accomplishment is being a first-generation college student. Coming from an immigrant family, I feel as though I have been given opportunities to further my education that my mother did not have while living in Mexico."

Regarding her time at FSCC, Daphne explained how many faculty and staff members have, "been crucial to my success." She expressed a high level of appreciation for the TRiO office staff, Susan Benson (Tutor) and other student tutors, Ben Souza (Esports Coach), Susie Arvidson (Instructor and Librarian), and Maria Bahr (English Instructor). Daphne stated, "I have been provided with educational and faculty support that I would have never received if I did not attend FSCC."

After graduation from FSCC, Daphne plans to major in biology and be a member of the Esports team at Cottey College in Nevada, Missouri.

Steve Armstrong 2022 Outstanding Alumnus

Mr. Armstrong moved to Fort Scott in 1960, and attended the Fort Scott Junior High School and Fort Scott High School (FSHS) respectively. He was active in several sports but focused on basketball. Armstrong graduated from FSHS in the spring of 1965 and received the Balfour Award during the graduation ceremony.

He entered FSCC (formerly known as Fort Scott JUCO) as a freshman in the fall of 1965, where he was a member of the Greyhound basketball

team for two years and was selected captain of the team by his teammates for the 1966-1967 season. He graduated valedictorian of his class from FSCC in the spring of 1967, then continued his education and basketball career at Pittsburg State University, being elected captain by his teammates both years at the university. He graduated from PSU Magna Cum Laude in the spring of 1969 with a Bachelor of Science in Education degree. Mr. Armstrong majored in mathematics with a minor in social science, and the PSU Education Department presented him with the Outstanding Student in Education award. He was inducted into Omicron Delta Kappa, a national leadership honor society, and Kappa Mu Epsilon, a mathematics honor society.

Following graduation, Armstrong taught mathematics at the Fort Scott Junior High School for one year. The following year he entered the mathematics graduate program at PSU as a Graduate Assistant in the mathematics department, and graduated in the spring of 1971 with his Master of Science degree in mathematics.

Mr. Armstrong married his high school sweetheart, Janet, in May of 1971. They were blessed with two sons, Chris and Jeff. Both his boys are married and their family now includes two daughters-in-law, two granddaughters, and four grandsons.

Armstrong was a member of the Fort Scott Kiwanis club and served as president during the 1976 bi-centennial celebration. Throughout the years he joined other club members in meeting various needs of the community. He served as chairperson for the United Way of Bourbon County, in addition to serving on the curriculum review committee charged with making recommendations for a revised math curriculum at the Fort Scott Middle School, the city commission for four years in the early 1990's (including mayor for one year), the planning committee for the Fort Scott Middle School, chaired the committees for the community-wide "Visioning" effort, and was involved in other philanthropic endeavors within the community. He was a member of the first Leadership Kansas class and is a long-time member of the Community Christian Church.

Steve Armstrong
2022 Outstanding Alumnus
(continued)

Armstrong had two professional careers in his lifetime. His first career opportunity began in 1972 with The Western Insurance Companies located in Fort Scott. He began working in the automobile underwriting department and in 1978 was promoted to a position with the company's management team. At the time, his job responsibilities focused on risk analysis and rate structure, with an emphasis in developing an Actuarial department within the organization. In 1986, following the sale of The Western, he was transferred to Indianapolis, Indiana to the home office of American States Insurance. He was a member of the Corporate Planning department from the summer of 1986 to April 1, 1988, at which time he returned to Fort Scott to begin his second career.

On April 4, 1988 Armstrong began his career at FSCC. Initially hired to be the Director of the Management Information Systems operations at the College, his responsibilities were expanded to include the Director of Admissions. In the summer of 1990, he became a member of the President's administrative team and assumed the duties of Dean of Student Services. This responsibility included several areas across campus including supervising the Director of Admissions, the Registrar, the Financial Aid Director, Academic Advising, Dorm Director, Director of Management Information Services, and the Director of the Migrant Education Program. Mr. Armstrong stated, "It was my pleasure and honor to work with the talented employees in each of these areas to strengthen and increase the impact FSCC had on the lives of students they served." After nearly twenty-five years, he retired on February 1, 2013 to spend more time with his wife and family while taking time to enjoy traveling.

Bernita Hill

2022 Honorary Degree Recipient

Bernita attended Pittsburg State University graduating with her Bachelor of Science degree and Master of Science degree in 1955 and 1965 respectively. She then began her distinguished career as an educator, teaching at various high schools for the next eight years. Her teaching career in higher education began when she was hired as an instructor at Fort Scott Community College. Over the next 30 years, she taught English, Journalism, and Psychology. During her tenure at FSCC, she sponsored the college newspaper and yearbook, which received AP All-American recognition for three semesters. She also

sponsored numerous clubs and activities including, Cheer and Pep Club. After retiring from teaching, Bernita continued her service to FSCC by serving as a Board of Trustee member for 19 years, during which she served as the President three times.

Bernita has always been extremely active and supportive of the Fort Scott Community. She is an Elder at First Presbyterian Church and was a 4-H leader; she continues to volunteer at the Bourbon County Fair whenever possible. Bernita belonged to the Daughters of the American Colonists and Daughters of the Revolution. She also volunteers for many community events, including Good Ol' Days.

Bernita has received numerous awards and accolades including the Jaycees Young Teacher of the Year award. She was an accomplished educator who served as a mentor to other FSCC faculty and was a long-time officer in the FSCC Faculty Association. Bernita and her late husband Bob are major donors to FSCC for many programs and projects including The Ellis Fine Arts Center.

Bernita continues to reside in Fort Scott and currently writes a column for the Fort Scott Tribune called "The Farmer's Daughter". She has two sons; John Hill with wife Carol Hill and Robb Hill with wife Carolyn Hill, and three grandchildren who, "are as proud of her as she is of them."

Fort Scott Community College

FSCC MISSION STATEMENT

Fort Scott Community College is an institution of higher learning with a long history of culture and diversity that provides affordable academic, technical, and occupational programs to meet student needs while fostering a mutually supportive relationship between the college and its communities.

FSCC values and appreciates all who support our students from every aspect of our institution. A special thank you to the FSCC faculty and staff for their contributions to making this day a reality for our graduates.

Special thanks to: FSCC staff and students for assisting with the commencement.

In accordance with Kansas State Fire Marshal regulations, we request that you take a moment to identify the two emergency exits closest to you. We have checked these exits and the other emergency equipment in this building and verify they are available for use in case of emergency. In case of an emergency, pay close attention to the announcer or your usher for important life safety information.
